Fire Eventoh is a company recognized worldwide for its ability to build popular events with strong cultural dimension.

Mastery of pyrotechnics and events tools in the service of artistic content allows Fire Eventoh to make events that receive public support.

The experience of Fire Eventoh in the field of world events (Olympic Ceremonies, national celebrations, inaugurations) and the constant production of theatrical works for international art festivals allow the company to create the necessary link between an event with strong communication value and universally acclaimed artistic achievement.
